## About

Witcircle is an online competitive exam preparation portal. They provide extensive test preparation material comprising of PDF notes, Topic-wise tests and Mock Tests at a very nominal price. The wide practice material being offered includes topic wise tests, sectional tests and mock test.

The website has a virtual currency named as Witcoin. To give any test or download any content, user has to pay through witcoins. Witcoins can be purchased through online pay. Witcircle has two types of users, students and coachings. Students can follow a coaching and can give tests or download materials uploaded by the coaching.
